

PROGRAM and ORGANIZATIONAL INFORMATION

THE MEETING

The "**3th Transnational Meeting of SCI-CO+**" is organized by CIENCIA VIVA in Lisbon.

The Meeting is the third official meeting of the SCI-CO+ Project Partnership and the second in presence.

From the **development** point of view, the meeting has the following objectives:

- *Presentation of results achieved until November 2023:*
 - The SCI-CO+ Model and Methodologies (progress)
 - The Magazine
 - The Portal
 - The Service System (progress)
 - Dissemination initiatives carried out.
- *Activities to be carried out in the semester December 2023 – May-2024 and related development programs:*
 - Completion of the SCI-CO+ Model and Methodologies
 - Implementation of SCI-CO+ e-Learning and e-Stage Platforms
 - Design of the Specialised Professional Figures of SCI-CO+
 - First activities for the Courses planning
 - Publication of issues 2, 3 and 4 of the Magazine
 - Completion of the linguistic localization of the Project Brochure.

From the **management** point of view, the objectives set are as follows:

- *Deepen the administrative aspects related to the Spending progress.*
- *Presentation of the Interim Report Schema (Period 01/12/2022-01/03/2024) for submission within 31/3/2024.*
- *Revision of the Work Programme Timetable*
- *Planning the quality assessment questionnaires submission.*
- *Planning of the 4th Transnational Meeting in Sweden.*

The Meeting will also be an opportunity to present the SCI-CO+ Project to the Portuguese community through a short conference which will be held on the morning of the second day and to which, in particular, the Project's stakeholders will be invited.
